Northwest Minnesota offers opportunities to find quiet wilderness, fun sporting events, exciting entertainment and the bright lights of regional trade centers within a reasonable travel distance. You can plan a weekend of relaxed camping in a small town setting and yet have access to some of the Midwest’s best shopping areas.

Wildlife preserves with moose, deer and elk are only a few miles from the finest golf courses around. The natural terrain includes lakes, rivers, forest, prairie and everything in between. You can find crowds of people in the more popular spots but there are also places where peaceful solitude is the only description.

The COVID-19 Virus (Coronavirus) pandemic has been the subject of concern for a period of several months in 2020. The NWRDC publishes the Tourism Guide as an annual service to our residents and visitors, but we remind the public to be aware and mindful of Governor’s Executive Orders, as well as State and Local regulations and warnings regarding actions to be taken during the pandemic. We remind readers of this guide that health concerns of the public must be paramount and that travel and visitation restrictions mandated by the State of Minnesota should be heeded.

The Northborn statue installment is an interactive display of deer, bear, wolves, and ducks for kids to play on or for great photo opportunities. The main feature of the installment is a Minnesota sign that displays the Northern Lights year-round and proudly announces, “We are Northborn,” known as the Northborn Statues. Like all great ideas, Up North Pizza ironically started over pizza and beer. Friends coming together with a vision to create an appetizing atmosphere of great food, cold drinks and friendly conversation. Years later, Up North Pizza opened its doors in East Grand Forks offering pizza, Italian dishes, microbrews, and a family atmosphere. We're excited to share in the love of tasteful food, cold brews and memorable gatherings.

Northwest Minnesota offers opportunities to find quiet wilderness, fun sporting events, exciting entertainment and the bright lights of regional trade centers within a reasonable travel distance. You can plan a weekend of relaxed camping in a small town setting and yet have access to some of the Midwest’s best shopping areas.

Wildlife preserves with moose, deer and elk are only a few miles from the finest golf courses around. The natural terrain includes lakes, rivers, forest, prairie and everything in between. You can find crowds of people in the more popular spots but there are also places where peaceful solitude is the only description.

The COVID-19 Virus (Coronavirus) pandemic has been the subject of concern for a period of several months in 2020. The NWRDC publishes the Tourism Guide as an annual service to our residents and visitors, but we remind the public to be aware and mindful of Governor’s Executive Orders, as well as State and Local regulations and warnings regarding actions to be taken during the pandemic. We remind readers of this guide that health concerns of the public must be paramount and that travel and visitation restrictions mandated by the State of Minnesota should be heeded.
